

Industries and the State Under Socialism, Vol. 2 (Classic Reprint)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.
(Prof. Loyce Runolfsson Jr.)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Industries and the State Under Socialism, Vol. 2 I was asked to discuss today the subject of Industries and the State. I accepted, because I had something which I wished to say upon that subject to those who represent the industrial interests of this country. There are many phases of the subject, varying in their importance and pertinence. That phase which I shall present is one which some of you will be inclined, upon first impression, to deem such as to make my discussion in the nature of a digression. To me it is the most important and the most pertinent phase of the subject before us. You may have expected a discussion of the needs and benefits of uniform state laws in respect of interstate commercial transactions and of the great work in that line which is being accomplished by the National Conference of Commissioners on Uniform State Laws. I might well discuss the attitude of State Governments and of the Federal Government toward industrial enterprises and also the attitude of industries toward the State, and the changes which might be brought about to the benefit of all. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
