

Paul, the Worldly Ascetic

By Professor of New Testament and Christian Origins Vincent L Wimbush

Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In writing to the Corinthians, Paul was grappling with fundamental issues concerning the lifestyle of Christians, and specifically with questions about marriage, interracial marriage, and remarriage. The so-called hos me passage in I Corinthians 7 has been identified as a key passage for understanding Paul s expressed understanding of an appropriate model of Christian existence in the world. This one pastoral-counseling passage has had significant influence on the development of Western social orientation (not limited to the issues of marriage) and of Christian piety. Paul, the Worldly Ascetic is a fundamental reevaluation of a benchmark passage, I Corinthians 7, and is itself a model of historical-critical exegesis. This insightful work will be welcomed by students of Paul, early Christianity, and history of religion, by classicists, and by those who seek an understanding of how we may rightly engage the world in which we live.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Elenor Koch PhD**

This publication will be worth purchasing. It is writter in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be he best publication for at any time.
