Earth, not so very long from now: the silent, inscrutable alien visitors who bathed the planet in transforming rains have moved on, leaving behind a world much changed. Penn Roma, age sixteen, is blessed or cursed with supernatural talents she has always concealed. Her sisters, likewise afflicted, are prisoners of the Commission, the government agency tasked with controlling these strange children. Penn's determination to save them only gains urgency when she learns of the horrifying plans the twisted Warden Dodge has for the peculiar charges. But Penn herself must remain hidden, navigating a series of fantastical havens with her embattled allies, similarly enhanced teens also in the Commission's crosshairs. Worse, her vast, half-understood powers have become unpredictable, failing at critical moments and activating outside of her control. Can Penn trust a rogue warden, supposedly opposed to Dodge's schemes, to help free her family or has the Commission set its most nefarious trap yet?.
