AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was primarily written to be a teaching tool. It will encourage readers to spend more time in the bible and make it fun as well. This book gives you an in-depth study of the characters in the bible, ranging from the obvious to the obscure. This book will not just give you answers like most books. There may be many different references to each riddle. This book was written with a wide range scope. My choice was to make the riddles range from very simple to extremely challenging. The simple ones were written to help capture the attention of the children, the unsaved, and the average saint. Even theologians will find this book informative, captivating and challenging.
