Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of 5 Essential Lessons for the 21st Century from JESUS FIVE MODERN REVELATIONS is to give you a front-row seat in history as it is about to unfold before our very eyes like it has never unfolded before. This is not an exaggeration. When was the last time that the Battle of Armageddon, the Kingdom of Heaven on Earth, and Jesus Second Coming ever crossed paths with each other? Never. This is the time in history when their trajectories are crossing paths, although it is impossible to say when, or even if it will be in this century. But when we add the element of Global Warming that is heating up our oceans so much that we expect the rising ocean levels will flood our coastal areas all over the world by the end of this century, then you can easily see that we've got important business to take care of. And if we don't start now to prevent the ocean levels from rising like this, we are going to be in deep trouble like we can't even imagine right now from our comfortable armchairs, to which the whole world comes to us. Not anymore. We must rush out to stop this ocean in its tracks before it floods the part of our global civilization where about 50 of our global population lives within about 50 miles of our coast lines. And how are we going to stop the rising oceans from destroying our civilization? We are going to study the dynamics of the Kingdom of Heaven on Earth that Jesus has given us in his five modern revelations, and then come together...
