Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Flagg s Flats Part 1. of this book originally appeared under the title of Flagg s Flats. It was written in 1907 - not published. No publisher would accept the manuscript - fearing he might become implicated legally. A few typewritten copies were read by my friends all of whom advised me not to have it published on the ground that it might cost me my life. But at that time I was recklessly indifferent. Nothing cuts deeper than undeserved slander and I had been cut to the quick. Finally a printer was found who said: - Give my lawyer time to examine the Court records and if he tells me that the statements contained in your manuscript are true I will print the book if it costs me my liberty. Mr. Charles Francis said this and in 1908 the first edition came out. Seven editions followed each larger than the preceding one. In 1917, Part II was added and a new title substituted. Anything worth reading at all is worth reading carefully. If you read this book take your time. In writing it I have made no attempt to palliate my faults and make my side appear better or the other side worse than the facts justify. It is a simple narrative - a true story - relating to certain events (many illegal, a few legal) given in the order in which they occurred without embellishments - a copy of the Court files - not so much what I say as what the records say.
