The Planted Seed will reveal and share with the world the significance of living within an unmovable standard. Honesty and standards do not make the headlines. The moral fabric of our world declines when we mistreat one another. This book will share the life of a man who made it a mission to listen to others, care for a family, and become civic minded. Johnnie Rheaves stood for his principles through non-violent leadership. Share a journey of a lifetime with a man with an admirable lifestyle. Walk down the rows of planted truths he nurtured into his children. Picture the soft winds that blew across his face while he toiled on his farm. Reap the harvest of his bounty through the words authored by one of his children. Replant the seed inside of you, honesty and integrity, its value lasts for generations.
