Brand New Book ***** Print on Demand *****.Today, William Henry Harrison is best known for holding the presidency for the shortest amount of time and dying about a month after his inauguration speech, but he was one of the most important Americans of his day. Like many presidents in the 19th century, he rose to fame and fortune as a general, first for his decisive actions at the Battle of Tippecanoe and then in the subsequent War of 1812. From the introduction: IN presenting the Life and Times of WILLIAM HENRY HARRISON to the public, some explanation of the title may be necessary. We have christened our work Life and Times, to distinguish it from several other books already out upon the same subject. In our Appendix will be found many papers of great interest, connected with the life of General HARRISON, and to which we invite attention. In preparing our work for publication, we have been greatly assisted by Butler s History of Kentucky; McAfee s History of the Late War; Hall s Life of Harrison, and Dawson s Life of Harrison, We have also used freely the Washington Mirror; Niles Register; the Congressional Journals,...
