Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1911-01 edition. Excerpt: .seasons. Color and life may well be symbolized by attractive combinations of paper and ink. This form is printed in Light Sepia A, made by Sigmund Ullman Co., 146th Street and Park Avenue, New York. Any general advertiser or buyer of printing who wishes to know the resources in this direction can obtain some other examples by addressing the makers of this ink. Under the title- - Big Heads --the Mergenthaler Linotype Co. has issued an attractive showing of the Head Letter equipment with which it is possible to set newspaper headings up to 36-point on the Linotype direct from the keyboard. The equipment necessary for composing large headings can be applied to the outstanding linotype with the exception of the narrow magazine machine. The descriptive pamphlet gives full details of the necessary equipment and the fine display of Head Letter faces makes a suggestive showing of the ways in which this new feature can be used to advantage. This new feature adds still firther to the great versatility of the Linotype which is already so well establishedasone of the fimdamentals of the printing industry. Every engraver and printer who is considering the placing of new machinery and new lighting must have a definite interest in electric conduits. While such details are ordinarily included as a part of contract work, the printer should at least have some idea of the safeguards and conveniences in this direction. The new publication-- Spraguc Conduit Products, Catalog 4 36...
