Every medication we use, no matter how common or well-researched, comes with intended and unintended effects. Some of these effects, such as the intended effects, are desired, like pain relief when taking pain relief medication. The problem is the unintended effects these medications cause in the body. I am not a doctor or a pharmacist, but I tend to rely on my common sense. Fortunately, nature has always offered us solutions to these very vast and unfortunate problems. Solutions that, fortunately, are often right under our noses. When it comes to thriving against illness, look no further than your own backyard. Nature has a way of knowing what we need, and generally we are never faced with problems that have no solution. In fact, solutions to numerous problems can often be found in just one simple place. This couldn't be more true than with the natural antibiotics you are about to read about in this book. The splendor of nature can't be defined without first examining just how many incredible herbs and natural cures that we have been given, right within arms reach. It's amazing, and should never be overlooked and under-utilized. 7 Reasons To Buy This Book => 1. Its Short And Informative No Fluff!! => 2. This Book Is...
