Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

FIRSTS, LASTS & ONLYS: A TRULY WONDERFUL COLLECTION OF RUGBY TRIVIA

Pitch Publishing Ltd. Hardback. Book Condition: new. BRAND NEW, Firsts, Lasts & Onlys: A Truly Wonderful Collection of Rugby Trivia, Paul Donnelley, Firsts, Lasts & Onlys is a rugby fan's delight, chock-full of astonishing events, time-honoured anecdotes and distinctly unlikely facts. Beginning in 1823 with an event that probably didn't happen, the book charts the history of the sport to the present day. Did you know that Wasps were not included at the formation of the Rugby Football Union because their representative went to the wrong venue and got drunk? Or that the first international was won by Scotland because the umpire, a Dr Almond, adjudged: 'When an umpire is in doubt, I think he is justified in deciding against the side which makes the most noise. They are probably in the wrong'? Do you know which was the first novel to mention rugby? When the last 20-a-side rugby match was played? Or why a fan cut off his testicles to celebrate a win? All this, and so much more.
