Wicked Games

By Kelly Lawrence

Ebury Publishing, United Kingdom, 2013. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. Looking back, I think I knew I was in trouble the first time I met him. The road he took me down was at once both more liberating than I could have dreamed of, and yet more intense than I could cope with. If the path of love doesn't always run smooth, then how much more crooked it becomes when mixed with raw desire. This is no novel, but the memoir of an intense, exciting and at times unsettling relationship. Alex, for all his charms, is no billionaire playboy, and Kelly is no blushing virgin; rather your typical, overworked teacher who has no time for games, certainly not the wicked games he leads her into. Games that she ends up craving like a drug.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
