Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

I could never fall in love by letter. Though I have no doubt you are a notorious breaker of hearts, not to mention a princess in disguise, and if I were a few miles closer to Toot-above-the-Batch I would be in great danger. From the safe distance of another continent, I will admit to a modest desire to see how your pearl becomes you, even to know the color of your hair and eyes, but this is mere curiosity, I assure you. Your knight, Robert Through their innocent correspondence, a lonely young wife grows to love an imaginary man thousands of miles away. But when Folie finally meets him in truth, reality is turned upside down. She cannot find her own cherished Robert in the frightening stranger who claims her love. My Sweet Folly was a finalist from the Romance Writers of America for both Favorite Book of the Year and Best Long Historical Novel.
