Reviews

This is actually the greatest publication i have go through right up until now. I really could comprehended every little thing using this composed e book. I realized this book from my i and dad advised this ebook to learn.

(Jimmie Schmidt I)

ECONOMIC FREEDOM OF THE WORLD: 2004 ANNUAL REPORT

Academic Foundation/Centre for Civil Society, 2004. Softcover. Book Condition: New. The key ingredients of economic freedom are personal choice, voluntary exchange, freedom to compete, and protection of the person and property. Economic freedom liberates individuals and families from government dependence and gives them control of their own future. Empirical research shows this spurs economic growth by unleashing individual dynamism. It also leads to democracy and other freedoms as people are unfettered from government dependence. Economic Freedom of the World is the most comprehensive index of economic freedom in the world and the only one that uses reproducible measures appropriate for peer-reviewed research. The 2004 annual report explores the evolution of economic freedom over the last quarter century and the impact of economic freedom on people's lives. It answers many important questions, including : ? Has economic freedom been increasing or decreasing ? ? Do poor people benefit when countries become economically free ? ? What countries have made big gains in economic freedom in recent years ? ? What effect does economic freedom have on prosperity ? ? How does economic freedom influence investment ? ? How does economic freedom influence productivity ? ? What impact does economic freedom have on income inequality ? The world`s political leaders and others concerned with economic growth ? would do well to give their custom to ? (the) Economic Freedom of the World report, an annual publication that aims to measure economic freedom in 123 countries. -- THE ECONOMIST Economic freedom advances economic growth, reduces poverty and promotes other civil and political freedoms. It is also a tonic against terrorism because of the opportunity it creates. All of the nations behind global terrorism lack economic freedom. -- Nobel Laureate MILTON FRIEDMAN The closest thing we have to (an explanation of efficient markets) is...
