Wisdom sought and found. . . 21st century prophecies and revelations, meeting G-d and the Biblical prophets, finding out that the Earth is indeed the center of the Universe. The ideas put forth in the DOORS include the absence as a dimension of TIME, as humans know and perceive it. Costa Levis novel idea is that there is no genuine dimension of time as such, but a mere convenient and artificial system that is used to synchronize and organize human activities based on the rotation of the celestial bodies (Earth on its axis, Earth around the Sun). Life and life after death - how can one live with all this overwhelming and frightening information! And, as was said - there is obviously no Past or Future - only forever changing Now that we live in. It may feel like a very heavy burden to know more than what is given to know to the normal man. Dare to read Doors - all three volumes. This item ships from La Vergne, TN. Paperback.
