It is commonly used by physicians to heal serious burn injuries and by dentists, dermatologists, and optometrists to reduce swelling and inflammation. Internally, aloe is effective as a treatment for constipation, stomach ulcers, arthritis, diabetes, high blood pressure, and a host of other health problems. In this book, the author discusses the properties of aloe vera and explains why it is effective in healing. She also explores the ways the plant has been used throughout history by cultures as diverse as the ancient Egyptian and Native American. Gage demystifies the proven curative properties of aloe vera and shows how it can be used to best advantage for a wide variety of problems.
