This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Saqi Books. Paperback. Book Condition: new. BRAND NEW, From Here I Can See the End, Ibrahim Yared, The sun shines on the hill sloping down to the shore. The autumn day is pleasant and the soft breeze makes him feel satisfied although he can see the end. The bells of old age ring with a beautiful sound. It seems strange to be able to enjoy what cannot be defined, knowing there is very little to look forward to .The end glitters with something that is less than hope and more than resignation! All the same, it is there at the bottom of the hill, and the coming days will complete the picture. There is no hurry .
