

Albert Durer (Classic Reprint)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Albert Durer When one speaks of far-famed poets or artists, of G the, Schiller, Shakespeare, Raphael, or Rubens, the master pieces, by which their fame was gained, at once rise up before us. To speak of G the is to name Werther, Iphigenia, Faust, to mention Raphael is to recall the corridors of the Vatican, and the Sixtine Madonna, And so with great scholars and warriors, their names are like a brief pen and ink sketch of remarkable books and of brilliant battles. The artist of whom I now wish to speak to you, Albert Durer, is one of those, who can dispense with a towering monument. Every one knows, that he was a great and celebrated painter, that he has a place in the first rank, but where then are his master pieces? By what first rate work did he draw the world s attention to himself, as Goethe did with Werther, Corneille with The Cid, Michael Angelo with the Pieta? Or what was there remarkable in his life and career? He lived at Nuremberg. His house there has been carefully restored and is entered with reverence. Durer appears before us as a handsome tall man, with clear eyes, and fair curling hair, falling in waves on his shoulders; and this is pretty well all, that we arc conscious of knowing about him. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare...
