Paperback. 114 pages. Dimensions: 9.9in. x 6.9in. x 0.3in.

A story from the heartland, told from the heart What was it really like to live on a South Dakota farm during the sweeping changes of the 20th century American Midwest Helen (Ackley) Johnson grew up on a farm in the years between the two World Wars. In this remarkable personal memoir, enhanced with black and white and color photographs by the author (see deluxe color edition for color version), she describes day-to-day farm activities at a time when the small family farm was still a widespread, viable economic way of life in the United States. Johnson chronicles community customs, picnics, parties, and shared labor, and shows how the introduction of such inventions as the telephone and the radio changed her familys ties to the wider world. Johnsons words and photographs give us a detailed look at farm methods, farm innovations, and seasonal farm tasks. She tells us about the hard times dust storms, fires as well as the good. This is American history through a close-up lens: the story of one familys farm, and one childs growth to womanhood...
