Fordham University Press. Hardback. Book Condition: new. BRAND NEW, On Earth as in Heaven: Ecological Vision and Initiatives of Ecumenical Patriarch Bartholomew, Bartholomew, John Chryssavgis, Over the past two decades, the world has witnessed alarming environmental degradation--climate change, the loss of biodiversity, and the pollution of natural resources--together with a failure to implement environmental policies and an ever-widening gap between rich and poor. It contains numerous speeches and interviews in various circumstances, including ecological symposia, academic seminars, and regional and international events, over the first twenty years of his ministry. This volume also encompasses a selection of pastoral letters and exhortations--ecclesiastical, ecumenical, and academic--by His All Holiness for occasions such as Easter and Christmas, honorary doctorates, and academic awards. On Earth as in Heaven is a rich collection, essential for religious scholars, those looking for a deeper understanding of Orthodox Christianity, and anyone concerned with the environmental and social issues we...
