I finally found the path to freedom from excessive worry, medication, and fear. I have overcome these problems and now live my life with a greater sense of inner peace and calmness. I'm not a medical doctor, psychiatrist, or therapist of any sort. I am simply a normal guy whose life was once overrun with constant worry, fear, and depression. With great determination, research, and trial and error, I have returned to a healthy state of wholeness and optimism. My book details many of the problems I encountered daily, struggles that anyone suffering from anxiety can certainly relate to. I expand in detail upon my journey towards personal freedom, the valuable lessons I learned along the way, and how to apply them to your own life. I discuss why I had several severe relapses with my progress, and how you can avoid the same pitfalls. About the Author I am a normal guy from the Midwestern U. S. in his early 30s...
