Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.After seventeen-year-old Haley Sullivan meets a mysterious stranger who plays by his own rules, she's more than determined to learn every trick of the trade from the master himself. But her dream-chasing mentor disappears after that night, and according to the local newspapers, he's been dead for years. Knowing he's very much alive, Haley enlists best friend Linzi to join her on a scavenger-hunt-style road trip that ultimately lands them in the surf town of Crescent Cove, California. Mystery guy is no mystery here, though - he's Colby Taylor, the west coast's biggest professional surfer. If Haley wants to talk to the wave rider again, she'll have to get past his four intimidating bodyguards who are highly skilled in the business of sending starstruck fangirls back to where they belong. Haley is up for the challenge if it means chasing her dreams and escaping the perfectly corporate future that's been planned for her. But dealing with these bodyguards isn't exactly what Haley imagined it'd be. Sure, being thrown off a jet ski sucks, but falling in love with one of them might just be worse.
